Library Director Report & Updates:

- Winter Programming - November DIY Ornament program was a huge success with a full house of 15 participants.
- December library activities include Creative STEM Snow Globe Take 'n Make activity kits, snowball guessing challenge, Lionel the Library Elf hide and seek, as well as December Drop-In Fun which will run over school break and offer games, activities, a movie matinee and more.
- Angel Tree - The Library again partnered with Richfield 4-H to host the Angel Tree this season. The response has been overwhelmingly positive with all of the ornaments being chosen.
- Badgernet migration - The project to upgrade the Library internet on the TEACH network is complete. This will provide much faster broadband speeds. As a TEACH customer, there will be no additional cost to the Library for this increase.

Board Discussion:

Future Agenda items:
